

<p>Rae Spoon Stage Plot:</p> <p>raespoon@gmail.com</p> <p>Total: One Vocal Mic, One mic on guitar amp. Fender Twin Reverb or equivalent. Power front and back of stage.</p>	<p>Computer:</p> <p>I have a computer running different beats, samples, synthesizers and programming. I run a left/right out of my sound card.</p> <p>Guitar:</p> <p>I run my guitar through a backline amp.</p>	<p>Vocals:</p> <p>I have my own vocal mic, so I need a boom stand with a line.</p> <p>Power:</p> <p>I need a power supply at the front of the stage with at least two free spots.</p>	<p>I prefer PAs that have sub speakers or good low end.</p> <p>It takes me about 10 minutes to set up.</p>
